## NOTICE

Based on the communication from Regione Piemonte, prot. n. 81 dated 11/14/2019, citizens of non-EU countries must produce appropriate documentation that certifies the fact that "the members of the nucleus are not owners nor entitled to ownership, usufruct, use, occupancy with the exception of bare ownership, on an accommodation located in any Municipality of the national territory or abroad, adapted to the needs of the family unit pursuant to the DM 5 July 1975". This certification / certification must be issued by the competent authority of the State of nationality in the forms provided for by art. 33 of Presidential Decree 445/2000. The property requirement, for citizens of States not belonging to the European Union, cannot be the subject of a substitutive declaration of an affidavit. Therefore, **in the absence of the aforementioned certification/attestation the application for the allocation of a social housing building is INCOMPLETE**
